

Amendment under *Ex Parte Quayle* Practice
U.S. Application No. 10/784,943

AMENDMENTS TO THE DRAWINGS

Applicant submits herewith one formal sheet of replacement drawings for Figure 22.

Attachment: 1 (one) Replacement Sheet

REMARKS

Applicant thanks the Examiner for indicating that claims 1, 3 and 27 are allowed and that the Application is in condition for allowance except for formal issues. Applicant submits herewith a formal replacement drawing for Figure 22 which labels the drawing as "prior art."

Also, as requested by the Examiner, Applicant has canceled withdrawn claims 4-7 and 15-20. Applicant, however, has not canceled claim 2. For example, claim 2 was elected in the present invention and was indicated as containing allowable subject matter in the April 25, 2006 Office Action. Accordingly, Applicant assumes that the Examiner's request to cancel claim 2 is a typographical error.

Allowance of claims 1, 2, 3 and 27 is respectfully requested.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
